

Student Information Form

The purpose of this form is to provide a format for communicating important information about your child to the child's teachers. This will enhance the teachers' understanding of your child and facilitate setting mutual parent-teacher goals and expectations in a collaborative process.

Report Format

We invite you to share in writing your thoughts about your child's disposition, activities, interests, work, and social interactions in and out of school. The **questions below are provided to *stimulate your thinking***. You may respond to specific questions or write more spontaneously according to what you feel is important.

OR you may use the questions as a reference for verbally describing your child at the fall conference.

Child's Name: _____

Record the words or phrases that first come to mind when you think about your child.

Social Interactions

Does your child have friends? How would you characterize these attachments?

Is the child comfortable in a group?

How would you describe the child's relationship to you and other adults?

Activities and Interests

What are the child's preferred activities and deep interests?

Are there media that have a strong appeal for the child? (paint, blocks, woodworking, etc.)

Formal Learning

What are the child's preferred subjects?

Which skills come easily? Which are hard?

What is the child's characteristic attitude toward learning?

Summing Up
